DISTRICT 5340 YOUTH PROTECTION POLICY

PART 1. STATEMENT OF POLICY

It is the policy of Rotary International District 5340 that every Rotary Activity conducted or sponsored by or within District 5340 will take place in an environment that is absolutely free of Abuse and Harassment of any kind.

PART 2. STATEMENT OF CONDUCT FOR WORKING WITH YOUTH

District 5340 is committed to creating and maintaining the safest possible environment for all participants in Rotary Activities. It is the duty of each Rotarian, Rotarian spouse or partner, or other Volunteer to safeguard, to the best of their ability, the welfare of and to prevent the Abuse and Harassment of children and young people with whom they come into contact.

PART 3. KEY DEFINITIONS

Abuse and Harassment. This term includes the following:

Emotional or verbal abuse. Incidents in which an adult uses fear, humiliation, or verbal assaults to control the behavior of a young person in his or her care. Examples include rejecting the young person, preventing him or her from developing normal social relationships, and making derogatory statements about the youth's race, religion, or personal appearance.

Physical abuse. Mistreatment of a young person by use of physical contact intended to cause pain, injury, or other physical suffering or harm.

Neglect. Failure to provide (for no apparent financial reason) adequate food, clothing, shelter, or medical care necessary for a youth's well-being.

Sexual abuse. Engaging in implicit or explicit sexual acts with a young person or forcing or encouraging a young person to engage in implicit or explicit sexual acts alone or with another person of any age, of the same or opposite sex. Sexual abuse includes non-touching offenses, such as indecent exposure or showing a young person sexual or pornographic material.

Sexual harassment. Sexual advances, requests for sexual favors, or verbal or physical conduct of a sexual nature. In some cases, sexual harassment precedes sexual abuse and is used by sexual predators to desensitize or groom their victims. Some examples of sexual harassment include:

- Sexual epithets, jokes, written or spoken references to sexual conduct, talking about one's sex life in the presence of a young person, and comments about an individual's sexual activity, deficiency, or prowess..
- Verbal abuse of a sexual nature.
- Display of sexually suggestive objects, pictures, or drawings.
- Sexual leering or whistling.
- Any inappropriate physical contact such as brushing or touching.
- Obscene language or gestures.
- Suggestive or insulting comments.

Rotary Activity. Any activity or program of Rotary International (RI), a Rotary District, or a Rotary Club and any activity or program wherein an individual is participating in his or her capacity as a Rotarian.

Volunteer. Any adult involved in a Rotary Activity who has direct or indirect interactions, either supervised or unsupervised, with Youth. The term Volunteer includes Rotarians, Rotarian spouses and partners, and non-Rotarians.

Youth. Any young person, regardless of whether he or she is of legal age of majority.

PART 4. DISTRICT YOUTH COMMITTEE

The District Youth Committee will be comprised of the current District Governor, the current District Governor Elect, and the following persons appointed annually by the District Governor as prescribed by RI policy: A Past District Governor who will serve as chair of the committee; the District Youth Protection Officer; the Youth Exchange Chair; the Interact Chair; the RYLA Chair; the Model United Nations Chair; and the District Administrator. The District Youth Committee will be responsible for drafting, revising, and maintaining the District 5340 Youth Protection Policy and associated materials (herein collectively, the "Policy"), obtaining RI certification of the Policy, and implementing the Policy. The District Youth Committee will:

- Provide for a review of each District 5340 Youth Volunteer Affidavit (Appendix A) and an evaluation of the information obtained. This process will include a background check as described under Part 7, Policy Implementation Guidelines, below (herein, a "Background Check").
- Approve Coordinators and Supervisors to work with Youth.
- Ensure the availability of training for Volunteers.
- Certify Rotary Clubs wishing to participate in Rotary Activities involving Youth after the Rotary Clubs have signed the required District 5340 Affidavit of Club Compliance (Appendix C) and fulfilled all other requirements for certification as set forth in Part 8 Club compliance.

PART 5. DISTRICT REVIEW COMMITTEE

The District Review Committee will be comprised of four members appointed annually by the District Governor as prescribed by RI policy, including the District Youth Protection Officer who will serve as chair of the committee. The District Review Committee will:

- Assist the District Youth Committee to revise, maintain, and implement the Policy as needed.
- Respond to allegations of Abuse and Harassment in an appropriate and timely manner in accordance with District 5340 Abuse and Harassment Allegation Reporting Guidelines (Appendix B).

PART 6. DISSEMINATION OF THE POLICY

The most recently revised version of the Policy will be posted for review and use by all Rotary Clubs and Volunteers on the District 5340 website (<http://www.rotary5340.org>).

PART 7. POLICY IMPLEMENTATION GUIDELINES

The Policy set forth in this document is motivated primarily by the desire to protect Youth who participate in Rotary Activities. Therefore, Policy implementation will necessarily require a certain level of evaluation and screening of Volunteers who choose to participate in Rotary Activities involving Youth. The level of evaluation and screening required in any given case will, understandably, depend upon the nature and duration of direct and indirect contact that is anticipated between the Volunteer and the Youth. In order to be fair to all concerned, while at the same time ensuring that every District 5340 Rotary Activity involving Youth will be absolutely free of Abuse and Harassment of any kind, Volunteers will be categorized in accordance with their degree of involvement with Youth in the particular activity, and the level of evaluation and screening will occur in accordance with that categorization as follows.

Section 1. Attendees

An Attendee is any Volunteer having casual or inadvertent contact with youth, whether direct or indirect, where such contact arises from mere attendance at a Rotary Activity. Examples of occasions when a Volunteer is an Attendee include: Attending or participating in a Rotary Club meeting where Youth are visiting at the invitation of another Volunteer; participating in a Rotary Activity where Youth are present and being supervised by a Supervisor (e.g., interviewing RYLA candidates with a Coordinator or a Supervisor present, working on a joint Rotary-Interact project where a Coordinator or a Supervisor is present and responsible for the Youth, etc.); driving or riding in a vehicle where Youth are present and being supervised by a Supervisor or a Coordinator who is either driving or riding in the vehicle; and merely attending a Rotary Activity involving Youth that is organized by a person, group, or entity not affiliated with RI.

Attendees will, to the best of their ability, safeguard the welfare of and prevent Abuse and Harassment of Youth with whom they come into contact.

Attendees are not required to submit a District 5340 Youth Volunteer Affidavit.

District 5340 expects that every Rotary Club, with the assistance of its Club Youth Protection Officer, will make an effort to have all of its members, including members best categorized as Attendees, participate in Abuse and Harassment prevention training that is appropriate for Rotarians and other Volunteers in general.

Section 2. Supervisors

A Supervisor is any Volunteer who is responsible for supervising Youth as they participate in a Rotary Activity. The Supervisor typically finds himself or herself working closely with Youth in an environment where the Supervisor may be the only Volunteer present or the only other Volunteers present are Attendees. Examples of Volunteers who are considered Supervisors include: RYLA Facilitators; Rotary Club RYLA Chairs, Interact Chairs, and Four-Way-Test Speech Contest Chairs; Model UN Advisors; Volunteers attending the Interact Symposium; Rotary-Interact Liaisons; drivers or passengers in vehicles transporting Youth unless another Supervisor or Coordinator is present; and participants in Rotary Youth Exchange programs who are not providing a living environment for Youth.

Supervisors will, to the best of their ability, safeguard the welfare of and prevent Abuse and Harassment of Youth with whom they come into contact.

Prior to assuming the duties and responsibilities of a Supervisor, a Volunteer is required to complete the following steps:

- Undergo personal interviews as appropriate to the volunteer activities.
- Complete and submit a District 5340 Youth Volunteer Affidavit. A Background Check will be conducted by an independent investigator and the determination of approval will be conveyed to the District Youth Protection Officer before the Volunteer assumes the duties and responsibilities of a Supervisor. *By submission of your Affidavit to the District 5340 Youth Protection Officer and agreeing to have an independent background investigation conducted on behalf of District 5340 and RI, **you are not giving up your right to privacy.** The records that will be searched are only those records that are available to the general public. Records that are protected by federal, state, and local privacy laws are not accessible without your signature on a U.S. Government Privacy Act form authorizing the release of that private information. The Affidavit is not such a form and the U.S. Government Privacy Act form is not a requirement of the Policy.*
- If the independent investigator makes an initial determination that a Volunteer should not be approved as a Supervisor, then the investigator will contact the Volunteer directly and give the Volunteer an opportunity, if desired, to appeal the initial determination. Following an appeal and

the review of relevant information, the final determination of approval or disapproval will be conveyed to the Volunteer and to the District Youth Protection Officer.

- Participate in Abuse and Harassment prevention training that is appropriate for the duties and responsibilities of the Supervisor. The training will be provided by District 5340 with the assistance of the District Youth Protection Officer, the District Review Committee, the Coordinator(s) of the Rotary Activity in which the Volunteer participates, or such other person or entity as may be selected by District 5340.
- Participate in task training that is specific to the Rotary Activity in which the Volunteer will participate and that is appropriate for the duties and responsibilities of a Supervisor. The training will be provided by District 5340 with the assistance of the Coordinator(s) of the Rotary Activity, or such other person or entity as may be selected by District 5340.
- Understand and comply with RI and District 5340 guidelines for working with Youth in Rotary Activities.
- Meet RI and District 5340 eligibility requirements for working with Youth.

A Supervisor will at all times meet RI and District 5340 eligibility requirements for working with Youth. RI policy prohibits any Volunteer who has admitted to, been convicted of, or otherwise been found to have engaged in any form of Abuse and Harassment or violence against another person from working with Youth in a Rotary Activity. If a Volunteer is accused of any form of Abuse and Harassment and the investigation into the claim is pending, incomplete, or inconclusive, additional safeguards, including prohibiting the Volunteer from working with Youth in Rotary Activities, must be put in place to ensure the protection of any Youth with whom the Volunteer may have future contact as well as to ensure the protection of the accused. A Volunteer later cleared of charges may apply to be reinstated to participate in Rotary Activities involving Youth. Reinstatement is not a right, and no guarantee is made that he or she will be reinstated to his or her former position.

Section 3. Coordinators

A Coordinator is any Volunteer who is individually or jointly responsible for planning and executing a Rotary Activity where Youth are involved, or any Volunteer who has assumed overall responsibility for the well-being of Youth participating in a Rotary Activity. Examples of Volunteers who are considered Coordinators include: The current District Governor; the District Youth Protection Officer; District Review Committee members; District Youth Program Chairs; Club Youth Protection Officers; RYLA Committee Members; and Volunteers planning Rotary Club activities involving Youth.

Coordinators will, to the best of their ability, safeguard the welfare of and prevent Abuse and Harassment of Youth with whom they come into contact.

Prior to assuming the duties and responsibilities of a Coordinator, a Volunteer is required to complete the following steps:

- Undergo personal interviews as appropriate to the volunteer activities.
- Complete and submit a District 5340 Youth Volunteer Affidavit. A Background Check will be conducted by an independent investigator and the determination of approval will be conveyed to the District Youth Protection Officer before the Volunteer assumes the duties and responsibilities of a Coordinator. *By submission of your Affidavit to the District 5340 Youth Protection Officer and agreeing to have an independent background investigation conducted on behalf of District 5340 and RI, **you are not giving up your right to privacy.** The records that will be searched are only those records that are available to the general public. Records that are protected by federal, state, and local privacy laws are not accessible without your signature on a U.S. Government*

Privacy Act form authorizing the release of that private information. The Affidavit is not such a form and the U.S. Government Privacy Act form is not a requirement of the Policy.

- If the independent investigator makes an initial determination that a Volunteer should not be approved as a Coordinator, then the investigator will contact the Volunteer directly and give the Volunteer an opportunity, if desired, to appeal the initial determination. Following an appeal and the review of relevant information, the final determination of approval or disapproval will be conveyed to the Volunteer and to the District Youth Protection Officer.
- Participate in Abuse and Harassment prevention training that is appropriate for the duties and responsibilities of the Coordinator. The training will be provided by District 5340 with the assistance of the District Youth Protection Officer, the District Review Committee, other Coordinators of the Rotary Activity in which the Volunteer participates, or such other person or entity as may be selected by District 5340.
- Participate in task training that is specific to the Rotary Activity in which the Volunteer will participate and that is appropriate for the duties and responsibilities of a Coordinator. The training will be provided by District 5340 with the assistance of the other Coordinators of the Rotary Activity, or such other person or entity as may be selected by District 5340.
- Understand and comply with RI and District 5340 guidelines for working with Youth in Rotary Activities.
- Meet RI and District 5340 eligibility requirements for working with Youth.

A Coordinator will at all times meet RI and District 5340 eligibility requirements for working with Youth. RI policy prohibits any Volunteer who has admitted to, been convicted of, or otherwise been found to have engaged in any form of Abuse and Harassment or violence against another person from working with Youth in a Rotary Activity. If a Volunteer is accused of any form of Abuse and Harassment and the investigation into the claim is pending, incomplete, or inconclusive, additional safeguards, including prohibiting the Volunteer from working with Youth in Rotary Activities, must be put in place to ensure the protection of any Youth with whom the Volunteer may have future contact as well as to ensure the protection of the accused. A Volunteer later cleared of charges may apply to be reinstated to participate in Rotary Activities involving Youth. Reinstatement is not a right, and no guarantee is made that he or she will be reinstated to his or her former position.

PART 8. CLUB COMPLIANCE

District 5340 will monitor and ensure that all District 5340 Rotary Clubs participating in Rotary Activities involving Youth are in substantial compliance with RI guidelines for Abuse and Harassment prevention.

Each Rotary Club participating in Rotary Activities involving Youth will appoint a Rotarian member as the Club Youth Protection Officer who will receive training provided by District 5340. The Club Youth Protection Officer will present a training program, suitable for Volunteers in general and developed by District 5340, to his or her Rotary Club at a time or times that will enable all Rotarians and other interested Volunteers to participate in the training program. If the Rotarian serving as the Club Youth Protection Officer ceases for any reason to be an active member of the Rotary Club, then the Rotary Club will appoint an active member of the Rotary Club to be the Club Youth Protection Officer and arrange for training provided by District 5340 as soon as practicable. District 5340 may revoke the Rotary Club's certification to participate in Rotary Activities involving Youth if the Rotary Club is without an active member serving as Club Youth Protection Officer.

All Rotary Clubs that wish to apply for certification to participate in Rotary Activities involving Youth must submit a District 5340 Affidavit of Club Compliance to District 5340 for review and certification. A Rotary Club that fails to submit a District 5340 Affidavit of Club Compliance or, after review, fails to receive District 5340 certification will not be allowed to participate in Rotary Activities involving Youth.

A Rotarian who has qualified to be a Supervisor or Coordinator will be allowed to continue participating in Rotary Activities involving Youth, e.g., be a RYLA Facilitator, serve on a District 5340 youth committee, transport or otherwise assist with Youth Exchange participants, etc. However, that participation may not create a situation where his or her Rotary Club is participating in Rotary Activities involving Youth.

PART 9. TRAINING

District 5340 will provide training for the prevention of Abuse and Harassment including the following:

- Adapting RI's Abuse and Harassment Prevention Training Manual and Leader's Guide to incorporate specific District 5340 guidelines, information on local customs and cultural issues, and legal requirements.

PART 11. ABUSE AND HARASSMENT INVESTIGATION GUIDELINES

District 5340 takes all allegations of Abuse and Harassment seriously and will ensure that each allegation is investigated thoroughly. District 5340 will cooperate with all law enforcement agencies, local offices of Child Protective Services, and other legal investigations and District 5340 will not interfere with other investigations. District 5340 will conduct its own independent evaluation, but only to the extent necessary to accomplish the goals of the Policy.

PART 12. RESPONSIBILITY TO MAINTAIN RECORDS AND TO PROTECT CONFIDENTIALITY

District 5340 is committed to protecting the confidentiality of all Volunteer information, including the information on the District 5340 Youth Volunteer Affidavit and the results of any type of Background Check. District 5340 will only retain the original first page of the District 5340 Youth Volunteer Affidavit

containing the certification, consent, and waiver. All other documentation will be destroyed after the independent background investigation has been completed.

PART 13. LIABILITY INSURANCE

In addition to the general liability insurance maintained by RI, District 5340 will maintain general liability insurance with coverage and limits appropriate for its Rotary Activities.

APPENDIX B: DISTRICT 5340 ABUSE AND HARASSMENT ALLEGATION REPORTING GUIDELINES

STATEMENT OF CONDUCT FOR WORKING WITH YOUTH

District 5340 is committed to creating and maintaining the safest possible environment for all participants in Rotary activities. It is the duty of each Rotarian, Rotarian spouse or partner, or other volunteer to safeguard, to the best of their ability, the welfare of and to prevent physical, sexual, or emotional harm to children and young people with whom they come into contact. All allegations of abuse or harassment will be taken seriously and must be handled within the following guidelines. **The safety and well-being of youth participants and students should always be the first priority.**

DEFINITIONS

Abuse and Harassment. These terms include the following:

Emotional or verbal abuse. Incidents in which an adult uses fear, humiliation, or verbal assaults to control the behavior of a young person in his or her care. Examples include rejecting the young person, preventing him or her from developing normal social relationships, and making derogatory statements about the youth's race, religion, or personal appearance.

Physical abuse. Mistreatment of a young person by use of physical contact intended to cause pain, injury, or other physical suffering or harm.

Neglect. Failure to provide (for no apparent financial reason) adequate food, clothing, shelter, or medical care necessary for a youth's well-being.

Sexual abuse. Engaging in implicit or explicit sexual acts with a young person or forcing or encouraging a young person to engage in implicit or explicit sexual acts alone or with another person of any age, of the same or opposite sex. Sexual abuse includes non-touching offenses, such as indecent exposure or showing a young person sexual or pornographic material.

Sexual harassment. Sexual advances, requests for sexual favors, or verbal or physical conduct of a sexual nature. In some cases, sexual harassment precedes sexual abuse and is used by sexual predators to desensitize or groom their victims. Some examples of sexual harassment include:

- Sexual epithets, jokes, written or spoken references to sexual conduct, talking about one's sex life in the presence of a young person, and comments about an individual's sexual activity, deficiency, or prowess..
- Verbal abuse of a sexual nature.
- Display of sexually suggestive objects, pictures, or drawings.
- Sexual leering or whistling.
- Any inappropriate physical contact such as brushing or touching.
- Obscene language or gestures.
- Suggestive or insulting comments.

General Youth Exchange Terms. All terms that are related to Youth Exchange programs will have the meaning that those terms are generally understood to have in the context of Youth Exchange.

Policy. The District 5340 Policy on Abuse and Harassment Prevention.

Rotary Activity. Any activity or program of Rotary International, any Rotary District, or any Rotary Club; any activity or program wherein an individual is participating in his or her capacity as a Rotarian.

Student. Any individual who is participating in Youth Exchange, regardless of whether he or she is of legal age of majority.

Volunteer. Any adult involved in a Rotary Activity who has direct or indirect interactions, either supervised or unsupervised, with Youth. The term Volunteer includes Rotarians, Rotarian spouses and partners, and non-Rotarians.

Youth. Any young person, regardless of whether he or she is of legal age of majority.

IS IT ABUSE AND HARASSMENT?

Whether the alleged conduct amounts to a form of Abuse and Harassment is not to be determined by the adult to whom allegations are made. After ensuring the safety of the Youth or Student, all allegations should be immediately reported to appropriate law enforcement authorities.

ALLEGATION REPORTING GUIDELINES

For use by all Volunteers to whom a Youth participant or Student reports an alleged incident of Abuse and Harassment. Any adult to whom a Youth or Student reports an incident of Abuse and Harassment is responsible for following these Allegation Reporting Guidelines.

1. **Report from Youth Participant or Student**

- a. **Listen attentively and stay calm.** Acknowledge that it takes a lot of courage to report Abuse and Harassment. It is appropriate to listen and be encouraging. Do not express shock, horror, or disbelief.
- b. **Protect confidentiality to the extent possible.** Explain that you will have to tell someone about the Abuse and Harassment to make it stop and to ensure that it doesn't happen to others.
- c. **Get the facts, but don't interrogate.** Ask questions that establish what was done and who did it. Reassure the Youth or Student that s/he did the right thing in telling you. Avoid asking 'why' questions. Remember your responsibility is to present the story to the proper authorities.
- d. **Be non-judgmental and reassure.** Do not be critical of anything that has happened or anyone who may be involved. It is especially important not to blame or criticize the Youth or Student. Assure them that they were brave and mature to come to you.
- e. **Record.** Keep a written record of the conversations as soon after the report as you can, including the date and time of the conversation. Use the Youth's or Student's words, and record only what has been told to you. If possible, use the Incident Report Form included with these Guidelines.

2. **Protect the Youth Participant or Student**

Ensure the safety and well-being of the Youth or Student. Remove them from the situation immediately and all contact with the alleged abuser or harasser. Give reassurance that this is for the Youth's or Student's own safety and is not a punishment.

3. **Report to Appropriate Law Enforcement Authorities and to Rotary**

Immediately report all cases of Abuse and Harassment to the appropriate law enforcement authorities first and then to the club and district leadership for evaluation. In District 5340, the appropriate law enforcement office is the local office of Child Protective Services. In most Youth Exchange situations, the first Rotary contact is the Rotarian counselor who has responsibility for seeking the advice of and interacting with appropriate agencies. If the allegation involves the conduct of a Rotarian towards a Student, the District Youth Exchange Chair should be contacted. All allegations must be reported to RI within 72 hours and the person responsible for doing so is the District Administrator. District 5340 will cooperate fully with police or other legal investigations.

4. **Avoid Gossip and Blame**

Do not tell anyone about the report other than those required by the guidelines. Care must be taken to protect the rights of both the victim and the accused during the investigation. District 5340 will maintain, to the extent possible within the requirements of the Policy, the privacy of any accused person by following and enforcing appropriate procedures.

5. **Do Not Challenge the Alleged Offender**

The adult to whom the youth participant or student reports must not contact the alleged offender. In cases of Abuse and Harassment, interrogation must be left entirely to law enforcement authorities. District 5340 will conduct its own independent evaluation, but only to the extent necessary to accomplish the goals of the Policy. *In Youth Exchange cases of non-criminal Abuse and Harassment, the District Governor, the District Youth Protection Officer, and the District Youth Exchange Chair (in cases involving a Student) are responsible for evaluating the situation, and will be in contact with the alleged offender after the Youth or Student has been moved to a safe environment.*

6. **Follow-Up**

After reporting allegations to the appropriate authorities and to Rotary, follow up to make sure steps are being taken to address the situation. Specifically, District 5340 will conduct an independent and thorough evaluation of any claims of Abuse and Harassment. Any adult against whom an allegation of Abuse and Harassment is made will be removed from all contact with Youth or Students until the matter is resolved.

POST REPORT PROCEDURES

For Use by Rotarian Counselors and District Youth Exchange Chairs in all cases where the victim is a Student. Where the victim is a Youth, similar procedures should be followed in all cases by an appropriate adult.

The student's Rotarian counselor and the District Youth Exchange Chair are responsible for ensuring that the following steps are taken immediately following notice of an Abuse and Harassment allegation.

1. The adult to whom the Student reports the Abuse and Harassment should follow the *Allegation Reporting Guidelines*.
2. Confirm that the Student has been removed from the situation immediately and all contact with alleged abuser or harasser has stopped.
3. Contact appropriate law enforcement agency immediately (if not already done). If law enforcement agencies will not investigate, the district leadership or District Youth Exchange Chair should coordinate an independent evaluation of the allegations.
4. Ensure the Student receives immediate support services.
5. Offer the Student an independent, non-Rotarian counselor to represent the interests of the Student. Ask social services or law enforcement to recommend someone who is not a Rotarian or in any way involved with the District or Club Youth Exchange program.
6. Contact the Student's parents or legal guardian. If away from home, provide the Student with the option of either staying in country or returning home.
7. Remove the alleged abuser or harasser from all contact with all Youth or Students while investigations are conducted.
8. Cooperate with the police or other legal investigation.
9. The student's Rotarian Counselor should inform the District Youth Exchange Chair and District Governor of the allegation. Either the District Governor, the District Administrator, or the District Youth Exchange Chair must inform Rotary International of the allegation within 72 hours, and provide follow-up reports of steps taken, the outcome of all investigations, and resulting actions.

POST ALLEGATION REPORT GUIDELINES

Responding to the Needs of the Youth or Student

There will need to be a cohesive and managed team approach to supporting the Youth or Student after an allegation is reported. The Youth or Student is likely to feel embarrassed, confused, and may become withdrawn and appear to be avoiding other Youth or Students, the host family, or Volunteers. It may be difficult for Volunteers to understand how the Youth or Student is feeling, but it would be helpful for the Youth or Student to know that the Volunteers remain a support for them. Volunteers may experience ambiguity toward their roles and may feel unclear regarding their boundaries. However, Volunteers need to do whatever is necessary to reassure the Youth or Student of their support at all times.

Appropriate Response for Addressing Issues Within the Rotary Club for Allegations Made Against Rotarians or Non-Rotarians

When addressing an allegation of Abuse and Harassment, the most important concern is the safety of the Youth or Student. Volunteers should not speculate, make editorial comments, or offer personal opinions that could potentially hinder any police or criminal investigations. Volunteer should be cautioned about speculating or commenting on the matter during the investigations. Comments made about alleged victims in support of alleged abusers do not support our statement of conduct or Rotary ideals.

Comments made against an alleged abuser could lead to a slander or libel claim filed against Volunteers by the alleged abuser.
